PENNY STOCK INVESTORS

560,000 Postal Records
229,674 Email Records

1666-7

The Penny Stock Investor file includes men and women who do a lot of their own financial management and invest in penny stocks. They buy securities at less than \$5 dollars a share, many are outside of the major exchanges. These financial risk-takers are looking for rapid growth based on minimal investment without the assistance of financial professionals. These investors are excellent prospects for entrepreneurial ventures and other consumer goods.

This list is the perfect prospect file for discount brokerage firms who wish to open new accounts. Day traders are aggressive in their pursuit of short term capital gains.

These investors want to stay knowledgeable on new penny stocks. They look to PennyStockInvestorOnline.com for information on what they should consider buying.

PennyStockInvestorOnline.com.com is an online financial information source for those investing in penny stocks. The website acts as tool bringing news and reading material for these investors.
